

DEBOCH T12000

Data Sheet

DEBOCH Mobile Power Supply
Powered By LiFePO₄

Features

Safest Battery ever!

The strong P-O covalent bond forms the 3D delocalization chemical bond, herein LiFePO₄ is thermodynamically and dynamically stable even at temperature above 200°C.

Ultra Long Lifecycle

Not like other cathode materials, the unique olivine structure of LiFePO₄ can assure an excellent stability, therefore its lifecycle is much longer. DEBOCH mobile power supply can be recharged up to 2000 times, which is 4 times longer than ordinary mobile power supply.

Ultra FAST recharging speed

DEBOCH Mobile power supplies can be recharged twice as fast as conventional li-batteries.

Long Power Lasting

DEBOCH Mobile Power supplies represent a solution to the problem of excessive self-discharge. Because of its low self-discharge characteristic, you can use DEBOCH Mobile Power supplies right after purchased.

More Security Charging

DEBOCH Mobile Power can be used for a long time at a constant voltage

Design for Environment

DEBOCH uses LiFePO₄ battery which is 100% green product, absolutely environment protection. It is RoHS approved.

Product Specification

| Model | DEBOCH T12000 |
|---------------------------|--|
| Battery technology | LiFePO ₄ (Lithium iron phosphate) |
| Power Capacity(Battery) | 12000mAh (Typical) /3.2V/38.4Wh |
| Times of lifecycles | 2000(Typical) |
| input | Micro USB input DC 5V 2A/1A |
| output | Dual USB output DC 5V 1A/2A(MAX) |
| Power output dimensions | About 35Wh* |
| Weight | 110mm x 85mm x 41mm |
| Working temperature | 440g |
| Safety technology | 0 °C~45 °C |
| Safety certified(Battery) | Triple protection for battery |
| Insurance | CE RoHS UL SGS PONY |
| Product color | (PICC) Included for battery cell |
| Charging time | Green |
| Extra boost* | about 7 hours |
| | Standby time:1125h, Talk time(3G):2400min, Wi-Fi:2400min, Audio play: 200h, Video play:50h |

*Due to inevitable electric energy loss, the actual power output of a mobile power supply is less than its battery energy storage.

*Based on iPhone 5. Battery life varies by use and configuration;

Compatibility

- Compatible with all devices supporting USB charging.
- Can be charged with any micro-USB wall charger, car charger and/or charging & data cable

Sales package contents

- DEBOCH T12000x1
- Charging and data cable(USB-MicroUSB)x1
- Charging cable(USB-MicroUSB/30pin)x1
- User guidex1
- DEBOCH 2A-Power Adapterx1

*There may be some differences on different spare parts. Please adhere to the actual product instead.

Available colors

- Green
